Dear Authors,

Greetings from Journal of Southwest Jiaotong University,
Thank you so much for being so interested in submitting your research to our Journal of Southwest Jiaotong University.

Two independent experts in the field have reviewed your manuscript.
We are pleased to inform you that the paper has been accepted for publication subject to minor revisions being made in response to the reviewers' comments given below.

You need to send the following to the editorial office via editor@jsju.org, if you want to publish in the Journal of Southwest Jiaotong University, Volume 58 (1), February 2023:
The article, strictly formatted according to the template recommendations for authors and correct the article on the reviewers' recommendations, see <http://jsju.org/JournalTemplate.docx>, responses to reviewers, and proof of payment.

All revisions should be highlighted in the article in red. We hope you will do great.

Reviewer #1 and # 2:

1 - We recommend that the authors rewrite the abstract.

The abstract should contain Purpose/Objectives, Methods/Analysis, Findings, and Novelty /Improvement. It is suggested to present the abstract in one 150-250 words paragraph.

2 - Please add the Flowchart of the research methodology (The main steps of research process are summarized in Figure)

3 - Authors should explain better the criteria for selecting the research object and the limitations of the application of the results obtained should be specified.

4 - Authors should explain the academic contribution of the work developed (150 words in conclusion).

Highlighting what is innovative/original about the existing literature.

This paper is novel because it seeks to contribute to the current debate in the literature.....The scientific novelty of the article also consists of a conducted large-scale study describing the author's theoretical and practical prerequisites.....

Deadline for corrections and payment: February 17, 2023.

* Please write in the subject of the email: revised article and payment proof.

Journal of Southwest Jiaotong University charges Publication Fee at the rate of Euro 500.00. All articles published in our journal are open access and freely available online, immediately upon publication.

We recommend that the authors use the academic text editing service for the scientific articles, not just proofreading. Please use the American English option. We recommend the use of large, trusted companies with editors having a Ph.D. degree. You should also attach an editing certificate or use the editorial office services.

Articles that native English speakers do not edit are not allowed for publication. The editorial team provides academic proofreading services for the authors at an additional cost - Euro 150 (for your text volume of 5,200 words), if you don't attach an official English editing certificate. The fee's already included in the invoice.

We send you a link to pay by card:

Title of your paper: Spiritual Tourism Development Strategy at Taro Tourism Village, Gianyar, Bali
Corresponding Author's Email Address: wirawanputu@gmail.com
Author(s): Putu Eka Wirawan, I Nyoman Sunarta, I Putu Anom, I Nyoman Sudiarta
Keywords: Development strategy, Local wisdom, Spiritual tourism, Local wisdom, Taro Tourism Village
Abstract: Humans always desire peace in life by carrying out all their activities. Consequently, tourism is now directed to the spiritual tourism model. This study aims to map the tourism potential and development strategy in Taro Tourism Village, Gianyar Recency, Bali Province, Indonesia. A destination already in an established position, but local wisdom is threatened. Subsequently, another approach is needed so that it continues economically and socially, and culturally is also maintained. This study uses a qualitative research method with a descriptive approach. Much of the research data was obtained from observation, literature studies, interviews, and FGDs followed by SWOT and AHP analysis. The results and conclusion revealed several steps in developing spiritual tourism in Taro Tourism Village. First is mapping cultural heritage or local wisdom in Taro Tourism Village. Second is making regulations related to investment to prevent social, cultural, and natural degradation. Third, cooperation between tourism stakeholders and related government. Fourth is increasing human resources in tourism. Fifth is marketing globally by involving national and international networks.
