Dear Nana

We sent you an email regarding some preliminary corrections. In fact we asked you to the following

1. Use [scholar.google.com](https://scholar.google.com) to convert your references in APA format. Simply copy and past the title of your reference into the search box and do search and once google finds it click on the first option and choose APA, for instance  
Anisa Abdulrahman Amin,A., and Hamdan,A. (2018).«Evaluating the Effectof Ownership Structure on Firm Performance: Evidence from Saudi Arabian ListedCompanies»,Journal of Economic Cooperation and Development,Vol 39, Pp65-92

becomes

Amin, A. A., & Hamdan, A. M. (2018). Evaluating the effect of ownership structure on firm performance: Evidence from Saudi Arabian listed companies. *Journal of Economic Cooperation & Development*, 39(3), 65-92.  
Please note, all references carry full information as mentioned above and journal name and number are presented in italic format.

make sure that all references are cited properly inside the text and vice versa.  
Please do these and email your revised paper so that we could process your paper quickly

Sincerely  
Farhang
